Orchid
P L A Z A

The Landmark sets a benchmark.

Orchid Plaza is destined to be a major public attraction, essentially because it is located on the Mumbai highway at BHEL, Ramachandrapuram. It is the first elegant structure that would welcome the visitors coming from Mumbai, Gulbarga and other major towns in the west of Hyderabad. The local classic crowd from ICRISAT, BHEL, and other industries in the Patancheru area would throng here as leading international retail brands would have their outlets here.
